SOLO GAME – VICTORY CONDITIONS:
Scenario 1: Have at least 60 victory points.
Scenario 2+3: Complete every mission at the highest level and have at least 110 victory points.

You can increase the **difficulty level** by taking one more mission card than called for during setup. Mission card rules remain unchanged. *(Remember: from the second mission card onward one mission is covered up)*

To successfully complete the **campaign**, you need to get 28 out of the 37 possible stars. Fill in the stars corresponding to your victory points.Subtract 1 star for each mission not completed on the highest level.
